Pragati Engineering College   September 2022– April 2026

B-TECH - (Electronics and Communication)

Sri Chaitanya Jr. College   June2022-May2022

INTERMEDIATE - (MPC)

Suresh EM High School   June 2019 - March 2020

SSC

SKILLS AND TECHNOLOGIES

Programming Languages: Python, C (basic),Java(basic),SQL, Html, Css

Libraries/Frame works : Tkinter

Tools & Platforms: VS Code, Power-Bi ,Git , GitHub, Windows OS

Soft Skills: Communication, Teamwork, Quick Learning, Problem-Solving

CODING PLATFORMS

LEETCODE-   https://leetcode.com/u/sree_jaaa_/

HACKERRANK- https://www.hackerrank.com/profile/sreeja18138

PROJECTS

Ai-Desktop Assistant   [|| repo link](repo link)

Developed a voice-based AI desktop assistant with a graphical user interface using Python and Tkinter. The assistant can perform tasks such as opening applications, searching the web, telling the time, and responding to user commands through voice input. Integrated speech recognition and text-to-speech modules for interactive communication.

• Tools Used:Python,Vs-code,Tkinter

INTERNSHIP EXPERIENCE

AWS Data Engineering AICTE virtual internship || LINK   April 2025-june2025

Completed a virtual internship focused on foundational AWS Cloud concepts, services, and infrastructure. Gained practical experience with cloud computing, including EC2, S3, IAM, and VPC. Developed skills in deploying and managing cloud-based solutions through hands-on labs and real-world scenarios.

Cisco AICTE virtual internship- || LINK   May 2024-July 2024

Completed a virtual internship focused on core networking concepts including routing, switching, and IP addressing. Engaged in hands-on labs and simulations to understand network infrastructure and Cisco technologies. Enhanced practical knowledge of subnetting, network protocols, and real-world configuration scenarios.

CERTIFICATIONS

Salesforce AI Associate Certification || LINK   December-2024

Certified in foundational concepts of artificial intelligence and its applications within the Salesforce ecosystem. Gained knowledge in ethical AI use, machine learning, predictive analytics, and how AI enhances CRM functionalities. Demonstrated understanding of AI-driven insights to improve customer experiences and business decision-making.

PARTICIPATIONS/EXTRA-CURRICULARS

IDE Bootcamp 2025 – AICTE & Ministry of Education

Participated in a national-level 5-day Innovation, Design, and Entrepreneurship Bootcamp organized by AICTE and the Ministry of Education's Innovation Cell. Gained hands-on experience in entrepreneurial thinking, design thinking, and innovation strategies. Engaged in experiential learning sessions aimed at building problem-solving and startup development skills in alignment with India's innovation goals.

HOBBIES/INTERESTS

- Reading self-help and personal development books
- Mindfulness practices and productivity optimization
